RE: Required Annual Training for County Board of Equalization Members

A new state law¹ requires county mayors to oversee the appointment of qualified county board of equalization members. In carrying out this duty, county legislative bodies are required to establish a minimum of at least four (4) hours of annual training for board of equalization members as well as the minimum recordkeeping requirements related to members' certificates of attendance.

The Comptroller's office is providing this training free of charge again this year—the flyer with important dates/times/topics is attached. Please encourage all county board of equalization members, alternates, and appointed hearing officers to attend this training. In addition, please engage your county legislative body in the proper implementation of this new training requirement by passing the required resolution and maintaining the certificates of attendance of county board of equalization members, alternates, and hearing officers. Please note that noncompliance with this new requirement may lead to an audit finding.

I am here to assist with any questions that you may have. Please call me at (615) 401-7954 or email me at betsy.knotts@col.tn.gov.
