"It's great to be alive and to help others"

For more than 50 years Mended Hearts has been offering the gift of hope and encouragement to heart patients, their families and caregivers.

Mended Hearts Inc. is a national nonprofit organization affiliated with the American Heart Association. Our chapter in Cookeville, Tennessee was established in 1997.

We are made up of the very kind of people we serve: heart disease patients, their families and others impacted by heart disease. Our members draw on our own personal experiences as we help others. We strive to help people understand that there can be a rich, rewarding life after a major cardiac event.

We listen, share our experiences, learn from healthcare professionals, and our volunteers visit heart patients in the hospital to talk about what they may face including lifestyle changes, depression, recovery and treatment.

Mended Hearts Chapter 127

"It's great to be alive and to help others"

Other objectives are to provide specific educational value to our members and their families through meetings and our newsletter "Heart NEWS" and to distribute information of specific values to the local community about heart disease and stroke.

We also donate Automated External Defibrillators (AED's) and Mannequins to churches and schools in the Upper Cumberland area.

MEETINGS

Our Chapter meets on the third Thursday of each month at 6:00 p.m. in the Education Center rooms 3 and 4 at Cookeville Regional Medical Center. Speakers include: physicians, surgeons, nurses, nutritionists, charter members and many others who cover a wide range of subjects. Some of the topics we stress are diet, exercise, prescription drugs, healthy living and a positive attitude.

OUR MOTTO IS:

*It's great to be alive
...and to help others*

Algood Football Presentation

From: "Moore Gavin" <mooreg5@pcsstn.com>

To: Cathyreel1984@yahoo.com

The 2013 Algood Redskins went 9 and 0 for the second in time in three seasons in dominant fashion. They were led by a phenomenal group of 32 8th graders. They averaged 38 points per game and only gave up an average of 9. They swept their county rivals, Burks, Cornerstone, Avery Trace, and Prescott South. More important than wins and losses, this team demonstrated a degree of character that was far beyond their years. All their wins were team wins. They played for each other. They congratulated each other and built each other up. Their attitudes remained positive, even when things weren't going their way. No one on the team felt they belonged in the spotlight. Nobody whined about playing time or what position they were playing. The collective attitude was, "What can I do to help the team?".

The coaching staff would like to thank the commission for this opportunity. They would also like to thank the parents and the community of Algood for all of their unconditional support.
