Item #2 Any other business

Chairman Sue Neal made a report on the Tax Freeze Committee. She stated the following:

On July 13th the Property Tax Freeze subcommittee approved a recommendation that the Budget Committee increase the Tax Relief Program from \$95,000 to \$105,000, adding an additional 100 seniors to the program to help the most needed citizens in our county. In the past seven years, we have helped a total of 4,850 senior citizens with their taxes. This proposal is in lieu of participating in the Tax Freeze Program. With the economic conditions and the inability to determine the cost of the Property Tax Freeze Program, the committee felt this was the best option. Also at this time, I move that we discontinue the Tax Freeze subcommittee as our mission is complete and now obsolete.

The above was made in form of a motion with Greg Rector giving a second.

THE MOTION WAS PASSED BY VOICE VOTE AND APPROVED
